Re: Most Recent Complaint Letter

Dear Mr. Greenberg:

We are in receipt of and have reviewed your latest correspondence of October 23, 2020.

As the letter does not raise new issues, we will not be adding anything to our previous responses to your other letters on this subject. As a reminder, and as was previously explained, a city attorney's client is the city entity itself, as represented by the City Council as a whole and its officials. Therefore, no violation of the California Rules of Professional Conduct has occurred.

Based on the foregoing, no further communications will be forthcoming from this Office regarding this matter, unless you provide new information that we determine requires a response.

Sincerely,

*Carol Schwab*
